**Annual Report**

## A message from our Patron

Welcome to our Annual Report for the Financial Year ended 30th June 2017 and what a marvellous year it has been in the 127 year history of Cottage by the Sea.

This year has been my third year as Patron of the Cottage and I have been fortunate to participate in a range of activities, meeting many wonderful staff, ambassadors, volunteers, branch members and supporters.

The opening of our new Multipurpose facility at the Cottage during the year saw the culmination of hard work and fundraising deliver a modern facility to house our boats, buses and sporting equipment whilst doubling as an undercover play space and camp space for the children during the day.

Our January Annual Fair was again an outstanding success largely due to our tireless branches, volunteers and staff plus the continued generosity of Ambassador Glynn Harvey.

Also in January Shirley and I had the pleasure of attending the annual Patron's Dinner with Rod Laver AC, MBE at the RACV Club in Melbourne. Other tennis legends attending were Rod's old friends Margaret Court AO, MBE, Ken Rosewall AM, MBE, Neale Fraser, Frank Sedgman, Roy Emerson, Fred Stolle and Jenny Hoad.

Geelong Cats greats and Cottage Ambassadors Jimmy Bartel, Brownlow medallist Patrick Dangerfield and Cats No.1 ticketholder Rebecca Maddern also attended, making it a memorable and lively night, whilst raising significant funds to assist with Cottage programs and activities. Special thanks also go to Coodabeen Champion Ian Cover for emceeing the evening and Rod's manager Stephen Walter for his outstanding organization in making the night happen.

Glynn Harvey, Cats coach Chris Scott and I thoroughly enjoyed the Annual Cottage Golf Day in February at the Flinders Golf Club. Alan Harrison (Cottage Ambassador) and Geoff Counsel provide wonderful leadership in organizing this event.

It should also be noted that Patrick Dangerfield kindly donated a car which he won as a football award, to the Cottage. This was successfully auctioned on the Footy Show, raising significant funds and publicity for the Cottage.

In concluding, I would like to express my heartfelt thanks to the staff, Board of Management, Branch members, volunteers and supporters of the Cottage for their wonderful endeavours which aid over 1200 disadvantaged young people and families who receive our support annually.

Frank Costa OAM  
**Patron**

## Our Year in Review

The 2016/17 Financial Year was a year of new experiences, a year of many changes and a year of program expansion, but most importantly, it was a year of fun!

1249 young people attended over 54 camps  
128 were young indigenous children (88 from interstate as part of the Cathy Freeman Foundation Horizons Program)  
30 children from various special needs schools  
70 children from English Second Language Schools

221 children brought up solely by grandparents  
80 students from Yuille Park and Operation New Start Programs  
Various families going through hard times enjoyed a special break at our Riptide Cottage  
In addition to this, hundreds more participated in our community groups, hospitality and school hire programs.

## The Year to Come

Cottage by the Sea is always striving to increase the number of children we assist annually and to build upon their camp experience. In order to do this though, we are required to make a number of upgrades to our 80 year-old building to comply with government standards. These changes are necessary to the future growth of the organisation and form the basis of our newly launched Capital Appeal: Inspired Futures. The projects within the appeal are outlined below.

- Fire services upgrade
- Accessibility upgrades
- Major access works
- Restoration works
- A new 24 seater bus

If you would like to support any of these projects, your donated funds will be allocated to the project of your choice and all donations will be recognised appropriately, should you wish. If you have any questions in regards to Cottage by the Sea or the projects outlined, we encourage you to contact us.

Alongside this, Cottage by the Sea is undertaking an external organisational review so as to help us continue to deliver an exceptional support service for children in the years to come.

We have many exciting ideas for improving our camps over the coming year, in particular within the REEF and Mentor programs. These ideas are aimed at not only improving the camp experience of the participants, but also the outcomes of the camp.

Our involvement with the Cathy Freeman Foundation's Horizons program is also set to grow. We are fortunate to be invited to be involved in a greater number of camps per year. These camps are largely run by Cottage by the Sea staff and take place in capital cities around Australia.

We are excited for what the coming year holds and look forward to continue building positive relationships with the community, supporters, donors and kids we work with.

# Take A Break Program

It's been a busy year for our Take a Break program with over 37 camps taking place and 882 primary aged children walking through the Cottage doors.

The Take a Break program is the most common program on offer at the Cottage. Children are often in grades 3-6 and stay at the Cottage for up to 5 days. The program emphasises co-operation and respect and encourages children to be healthy, active, happy and secure.

Children are usually referred by school welfare officers, welfare agencies, government health departments or council services.

This year the Take a Break Program made some great new connections in the Loddon Mallee region and Kyabram Family Services. The 11 children from the Kyabram area made the long bus trip to Cottage by the Sea and enjoyed a

3-day stay at our Riptide Cottage. Many children who participated on this camp had never seen the beach, making it an amazing experience to share with them.

The children that are chosen to participate in the Take a Break program are selected for a range of reasons. Often they are affected in some way by any of the following; family breakdown and/or dysfunction, domestic violence, emotional/physical trauma, social/economic disadvantage, living in poverty, cultural disadvantage, refugee status, lack of educational opportunities, or even a combination of these.

Throughout a Take a Break camp the children participate in activities such as swimming, surfing, rock pooling, initiative games and visits to Point Lonsdale, Marine Discovery Centre, local playgrounds and the Queenscliff Marina.

# REEF Program

The REEF program is a two-year program that assists young people in the transition from primary school to secondary school and is a predecessor to our Mentor program. REEF stands for, Recreation, Education, Environment and Friendship and that is what the program centres on.

There were many exciting opportunities offered to our first year REEF participants from Leopold and our second year REEF participants from St Albans over the last year. Unsurprisingly, the favourite camps were those hosted off-site and designed to allow the young people to try new experiences and step outside their comfort zone.

The Leopold REEF participants were treated to their first offsite camp, camping at Cumberland River along the Great Ocean Road. The young people were required to set up and sleep in tents and cook their own meals on Trangia Stoves. During the week the kids had the opportunity to explore the natural beauty of the Great Ocean Road. They went on bush walks to majestic waterfalls, swam in clear blue beaches and visited the nearby coastal town, Lorne. Being exposed to these new experiences was an eye opener for many of the participants and it helped to them to

become more confident amongst their peers.

The second year REEF participants from the St Albans area had many exciting moments in what was their graduating year, the highlight being the annual snow camp at Mt Buller. On this camp the young people are given the opportunity to learn to snowboard over five days. The camp teaches the participants to be resilient, persistent and determined to achieve their goals. The feedback from the young people always tells us that it is the hardest, but the most fun camp in the program.

In December, the same second year REEF participants graduated from the program. At the ceremony, hosted at the Cottage, each of the young people stepped on stage to say a few words about their time in the program. The graduation ceremony was attended by the family and guardians of young people, all of who were invited to stay for lunch and to meet the Cottage staff. The graduates have since gone on to join our Mentor program.

# Mentor Program

Cottage by the Sea is lucky to have a contingent of fantastic young people who commit their time on a regular basis to contribute to the Cottage in the role of Mentor. The Mentors are graduates of the REEF Program who chose to stay involved throughout years 8 – 12 of their schooling, attending camps, fundraising events, training and volunteering opportunities. This year has been a busy one with 70 Mentors participating. With so many young people remaining engaged in the program, there were many highlights.

10 Mentor camps were scheduled across the financial year. The young people return to the Cottage for camps both onsite and offsite, catching up with great friends and caring staff.

So as to maintain regular contact with the Mentor participants, “Home Town Dinners” were established this year. Cottage by the Sea staff visit Mentors in their home town and share a meal at a local restaurant. It is a great way to catch up with the young people in-between camps.

The Year 9 Mentors are invited to represent the Cottage on a tour of Sydney. The camp involved meeting and climbing the bridge with staff from Massachusetts Financial Group who fund the experience. The young people are

given the chance to explore the city – planning their activities, meals and transport as a group. The trip provides a unique opportunity that fosters independence and sparks interest and ambition for the participants.

The Anderson Family, APCO service station founders, invite Mentors to camp on their beautiful property on the Edward River at Moulamein once a year. The family generously volunteer their time and share their love of the great outdoors with our young people, teaching them a range of camping and bush skills that so few kids get to experience these days.

In a partnership that has grown over many years, our Mentors have the once-in-a-lifetime opportunity to attend a 10-day program at Mittagundi, a pioneering style camp in the Victorian High Country.

Alongside all of these amazing camp opportunities, many Mentors volunteer for the Cottage at events throughout the year. Many offered to assist at our busy Annual Fair. They welcomed guests at the gate, made coffee and food, served donuts and assisted with the clean up.

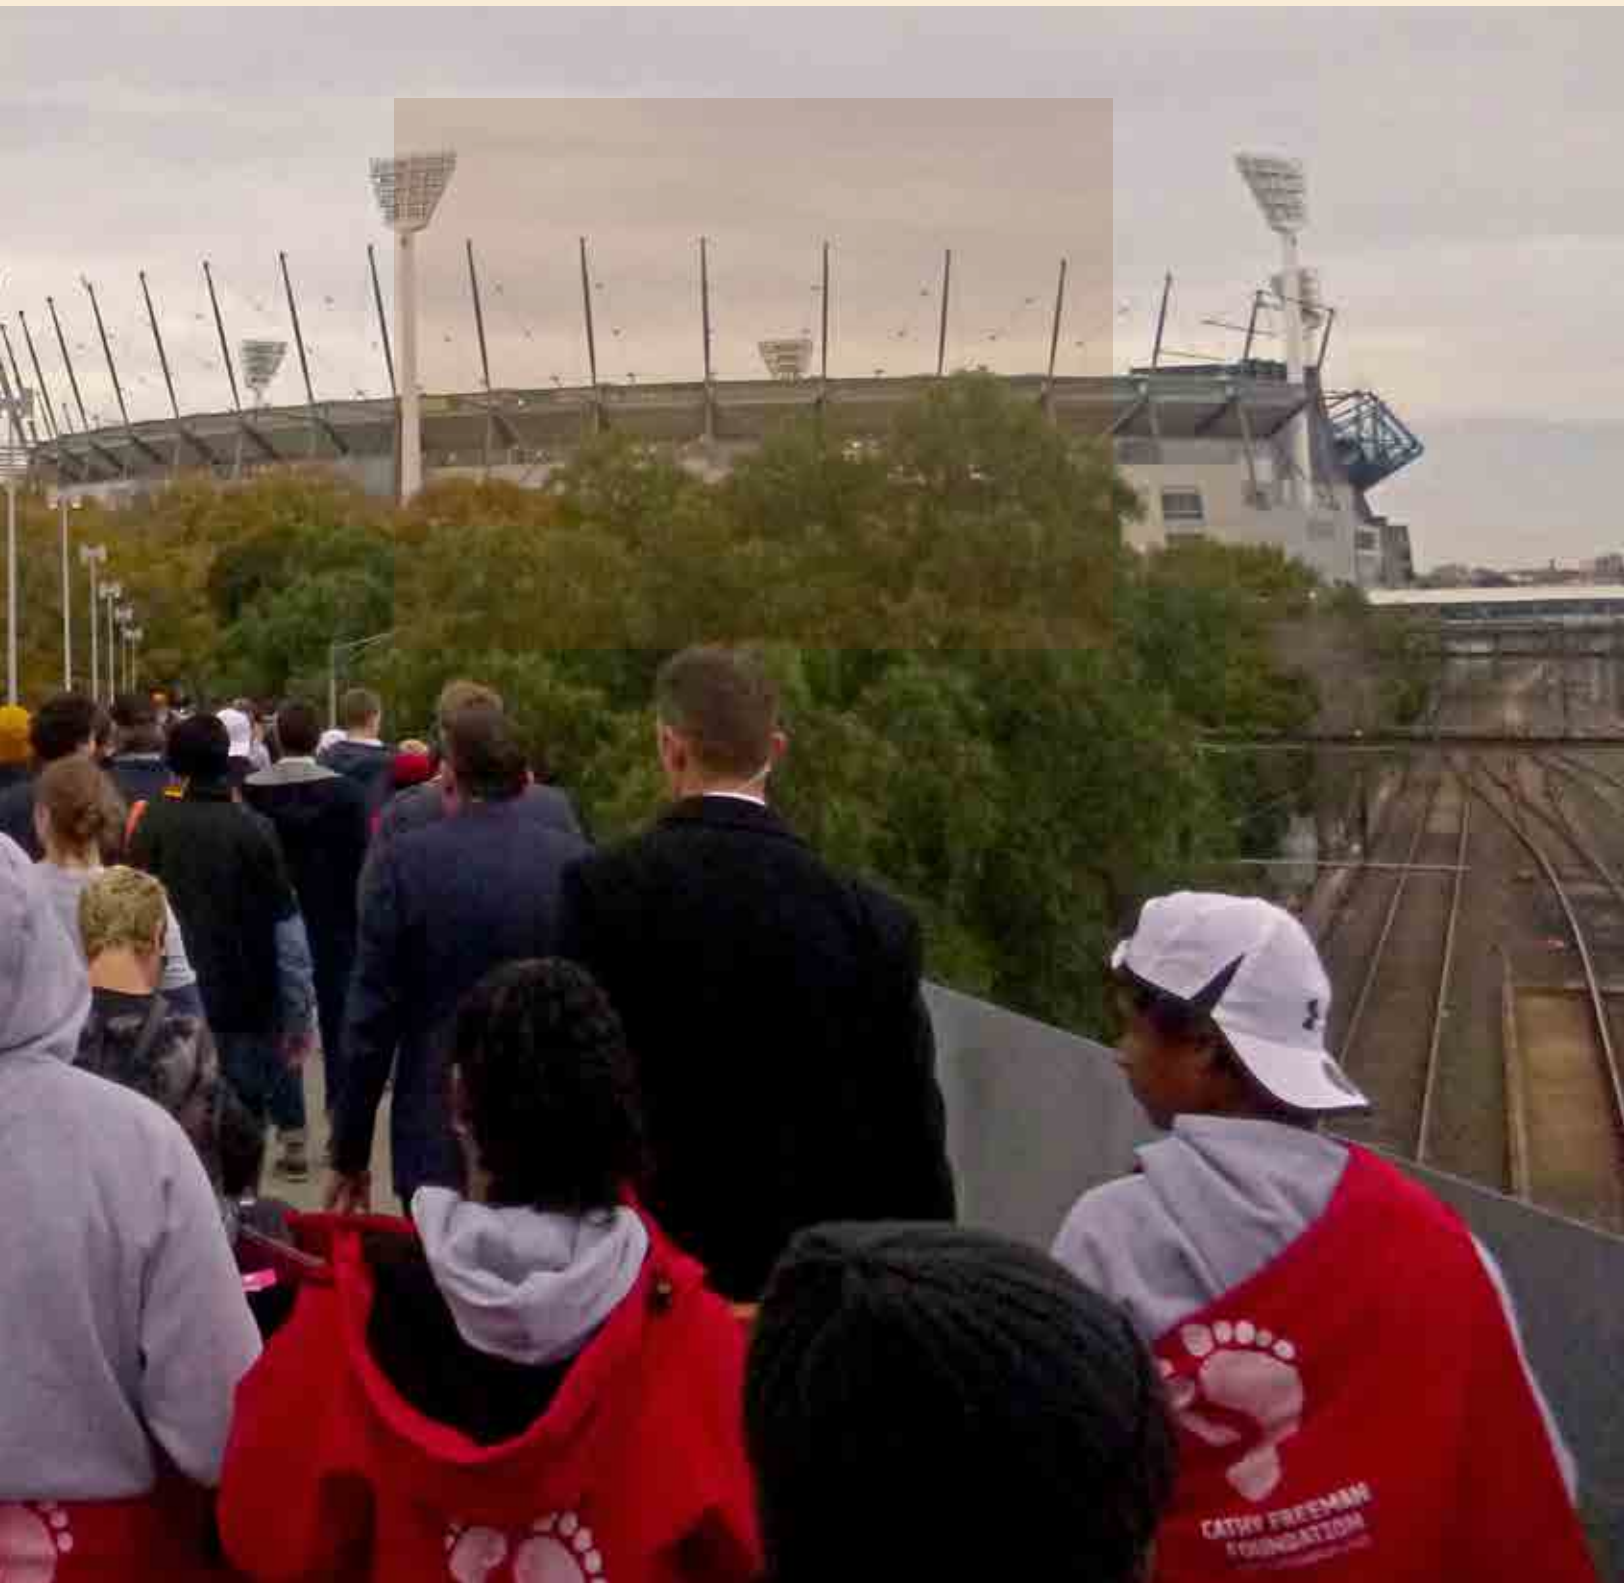

# National Program

The Cottage by the Sea National program has evolved into a strong relationship with the Cathy Freeman Foundation. Cottage by the Sea works within the Cathy Freeman Foundation's Horizons program, a program that is designed according to the age group which ranges from Year 5 to Year 12, and balances fun and new experiences of city life with educational opportunities focused on positive mentoring and goal setting. The trips for secondary school students are focused on post school pathways. The Cottage was proud to work on an additional two camps this year, resulting in six camps for our National program.

The Indigenous students who are selected for these camps come from four remote communities - Palm Island, Woorabinda, Elko Island and Tiwi Islands. The students are chosen on their academic achievements and attendance at school. The Horizons camps take place in the major cities of Australia (Sydney, Canberra, Melbourne, Brisbane and Darwin) to challenge the students to step out of their comfort zones and prepare them for what the future brings. At the end of each camp the students use all the knowledge and skills they have learnt on the camp to make a presentation to the group about their dreams and goals for the future.

Each camp is designed with educational benefits alongside many fun activities. Some of the highlights over the past 12 months include:

- Leading The Long Walk with Michael Long to the Dreamtime at the MCG
- Climbing the Sydney Harbour Bridge on sunset and seeing the amazing view over the city
- Meeting the Prime Minister of Australia Malcolm Turnbull on our tour of Parliament House
- The inspiring sessions with Cathy Freeman herself

Cottage by the Sea is extremely proud of the achievements from every student who attends the Horizons Camps and we look forward to continuing our partnership with the Cathy Freeman Foundation.

## General Manager and President's Report

Over the past year, Cottage by the Sea has been working hard across the board to provide the best possible inspiration, fun and opportunity experience for the 1,300 plus children involved in our programs. Through our REEF and Mentor programs, our early intervention model delivers significant, sustainable benefits and positive returns for those involved.

During the year the Board and Management Team continued to ensure strong financial management which is so critical given the tough economic and political environment. The team have worked hard to increase revenues and build a strong diversified income base so we can continue to support the ever growing demand for our services for young people in need.

We would like to honour Chris Coakes who retired from the board after 18 years of exceptional service to our charity. Our board was further strengthened during the year with the appointment of Jerome Walsh to the board while our staff team gained the services of Andrew Balaam in a special projects/advisor capacity.

Providing strong governance, wise counsel and informed thinking are critical factors for boards these days, to this end the board is about to launch into a better governance accreditation program. We will also review our structure and operations ahead of strategic planning for the next 3 to 5 years. The review will focus on the organisation's internal capacity to deliver current and future services. Apart from other obvious benefits, this approach will ensure we are best placed to embark on further program expansion.

This year we invited Equal Access Victoria, Geelong Fire Services, Kandu Property Consulting and Deakin University Consulting to review our current building and associated services. They found that our eighty year old building must be upgraded to meet fire safety services requirements and building accessibility needs. In particular, the Cottage is not presently suited to accommodate those with physical challenges, which may not be surprising given the age of the building, but is plainly unsatisfactory.

This has led to our Access and Safety Project, an

important project aimed at improving the main Cottage building. Capital works will include installation of a lift and new amenities for access along with enhanced protection systems for fire safety.

We are very pleased to report that the capital building appeal has resonated with our donor base. Accordingly, this year the Cottage has generated a surplus largely consisting of tagged funds for the Access and Safety Project. We are confident now that it can be delivered.

Such capital fundraising campaigns are essential from time to time as the Cottage receives no government funding. We rely heavily on the generosity of individuals, trusts, foundations, community groups and organisations to fund all our programs. We are so grateful that our donors are assisting the Cottage building to be of an appropriate standard to meet the needs of our children, employees, volunteers and visitors in the 21st Century.

Thank you to our volunteers, branches, ambassadors, donors and supporters who together with our talented staff team at the Cottage made such a difference to hundreds of children and young people's lives.

Dennis Smart  
PRESIDENT

Tony Featherston  
GENERAL MANAGER

# Building our New Playground!

Over the last year we have been busy building our new playground. The playground replaces the old one that was built in the mid-1980s and void of colour and life.

The new playground provides a safe and secure play area that still allows the children to take risks as well as having areas where they can sit back, relax and talk.

We would like to thank everyone that was involved in making this amazing project happen.

## News from Melbourne

I have had the privilege of visiting hundreds of our donors and supporters over the past year, either to collect donations (in kind and financial) or to have a chat and a cuppa and fill them in on what is happening at the Cottage. These donors and supporters play an integral part of ensuring our children have memories to treasure.

The number of guest speaking engagements and representing the Cottage at various events has surpassed previous years and the little mobile office has a visual presence, not only in metropolitan Melbourne but well into outer regions such as, Pakenham, Berwick, Belgrave, Noble Park, Chelsea, Mt Eliza, Mooroolbark, Lilydale, Lower Plenty, Reservoir, Whittlesea and Sunbury.

The word of the Cottage has certainly spread and I feel privileged to convey the message that after 127 years the Cottage has a secure future with fantastic staff and volunteers and wonderful programs offering inspiration, fun, opportunity.

- Anne Catchpole

## Volunteers, Donations & Visiting Groups

We cannot give enough thanks and appreciation to our amazing band of helpers that support the Cottage in many ways. This includes our regular group of 25 volunteers that come each week and help in areas such as the kitchen, garden, archives, office, donation sorting and packing, maintenance, cleaning and wherever else is needed.

To all those that knit, sew and collect items for the children and to the 550 visitors that came laden with donations and enjoyed a morning tea, talk and tour of the Cottage, we want you to know the difference you make in the lives of the children that enjoy a camp by the sea. This can be measured by the smiles on their faces after a week of wonderful food, fun activities, comfy and clean beds and the chance to explore the beautiful Bellarine Peninsula made possible by your incredible ongoing support.

A heartfelt "thanks" from the Cottage family.

## Ambassador News

Another year has flown past and what a wonderfully successful year it has been for the Cottage, with the Ambassadors Program also kicking some goals along the way as well. Although our numbers are small, we have achieved some amazing outcomes.

Our local ambassadors held the 5th race meeting in May at the Geelong Racing Club with over 250 guests coming along for a fun day. Our numbers increase every year as do the monies raised. Getting out the word about what the Cottage stands for is as important as the financial aspect. Many thanks to Jade, Amanda, Louisa and Jan, as well as Moira and Lachie from the Cottage who work tirelessly to make it a successful day.

Glynn Harvey works away tirelessly in the background with little fanfare, continuing to support in many, many ways and Alan Harrison and his team take their Annual Golf Day from strength to strength raising over \$30,000 this year. Both of their efforts are amazing and demonstrate the passion that the Cottage raises in people to continue with their fantastic support.

There was another successful venture with the Market Square Christmas wrapping project, where we supply the volunteers and Market Square provide the materials, space and publicity as a fundraising opportunity. This year adding to our wonderful friends who gave up their time at a very busy time of the year, was

Cottage Ambassador Madi Robinson came along to help out.

Our high-profile ambassadors add an extra element to our efforts and as such they attract a wide audience and generate media and publicity for our cause.

Rebecca Maddern kindly agreed to MC our Race Meeting and was the ultimate professional in handling the crowd. Rebecca also spoke at the Bresis Club and enthralled the audience with her experiences on the Football Show. A cheque was presented to the Cottage in appreciation of her presence.

Patrick Dangerfield who came on board last year very generously donated the car that he won as Player of the Year

2016. APCO Service Stations added value with a year worth of petrol. It was auctioned live on the AFL Footy Show and all proceeds went straight to the Cottage, many thanks Patrick for your generosity and also APCO for their continued support.

Jimmy Bartel spoke at Ergo Pharmaceuticals and \$12,000 was the very generous donation to the Cottage as his favoured charity. Curtis Stone, although based in America always helps out with auction items for various events.

Warren Davies, our ambassador from the Golbourn Valley, is a motivational speaker and is involved in a program called the Locker Room. This has given him an insight to some of the issues facing rural communities, especially youth. In this role he speaks about Cottage by the Sea and has had some heartfelt responses from people who know what the Cottage can mean to their family.

A big thank you to all the Ambassadors, I am proud to work alongside you all and I look forward to continuing, in the fun atmosphere, as we work together to support the Cottage with their vision that every child deserves a happy and healthy childhood.

Jan Wilkinson

## Inspirational people of Cottage by the Sea

Cottage by the Sea is fortunate to have dedicated and passionate people that have made a significant impact on the organisation over a long period of time. The following people retired this year.

### Paul Shirley 14 Years of Service

Paul began volunteering for Cottage by the Sea in 2003 in the maintenance department and till his retirement at the beginning of 2017, he was still doing the same thing. His love of painting and handy work can be seen all around the Cottage and he has left a lasting impression on the organisation due to his dedication, hard work and strong sense of community spirit. Paul still drops in to the Cottage to help out with odd jobs from time to time and to enjoy a coffee and chat with friends.

### Paulin Walter 22 Years of Service

Paulin's contact with the Cottage started in 1994 when she was recruited as a volunteer by the Board President of the time to interview and recruit new staff. In 1995 Paulin was recruited by the Board to the role of General Manager as a part time employee. In this position Paulin oversaw many key changes to the Cottage. In 2001 the position of General Manager was handed onto Tony Featherston and Paulin stepped into the role of Finance Manager, managing Cottage resources and providing HR support for staff till her retirement. Paulin was accepted as a member of the Cottage by the Sea Board this year. We are very grateful to Paulin and her family for all the support over the years.

### Chris Coakes 17 Years of Service

After 17 years of wonderful service to Cottage by the Sea, Chris recently announced his retirement from the board. Chris was elected to the Board in 2000 and his contribution to our charity has been outstanding over his entire journey. He was responsible for developing the first Cottage by the Sea website, led our marketing strategy each year and educated, mentored and empowered Cottage staff in the area over his time. Chris's commitment to the Cottage extended to numerous fundraising events, namely the Annual Fair where his favourite stall was no doubt the White Elephant! From all of us at the Cottage - a huge thank you Chris.

## Cottage by the Sea Board

### **Dennis Smart PRESIDENT**

Dennis has an honours degree in Chemical Engineering Science and throughout his career gained technical, engineering, production and marketing experience, with the last 30 years as a Managing Director of the Woods Auto Group. Now retired, Dennis and his wife Sue are spending more time involved with their 5 young grandchildren, travelling and enjoying their Queenscliff beach house and the local community.

### **Narelle Sketcher VICE PRESIDENT**

Narelle is the Principal of an independent school with over 25 years of experience in the education sector. She has two children and has strong family links with the Cottage. Her grandparents retired to Queenscliff in the early 1980s and became involved in the Cottage. They established the successful Annual Fete. Her grandmother served as the President of the Queenscliff Branch.

### **Don Rankin TREASURER**

Don is a chartered accountant and founding partner at a middle market specialist accounting firm, Pitcher Partners and is also chair of the Pitcher Partners National Association. He is a business advisor to middle market businesses and sits on the Advisory Boards of a number of private family businesses. Don and his wife Megan have had a house at Pt Lonsdale for 30 years and spend as much time as possible there.

### **Bob Bellhouse MEMBER**

Bob has held positions in the education and community sectors. He has authored educational books, published in Australia and overseas. He is currently a Director of a publishing and consultancy company specialising in education. Bob lives in Queenscliff and has two children.

### **Chris Coakes MEMBER – Retired June 2017**

Chris has been professionally involved in marketing management for over 35 years. He is currently the Managing Director of his own audio visual service and equipment company – Action Presentations P/L. Chris is married to Jennifer and has four children who have grown up with strong extended family ties to the Queenscliff area. Chris sat on the Board for 17 years.

### **Natalie Hickey MEMBER**

BA.LLB (HONS), LLM

Natalie is a barrister at the Victorian Bar specialising in commercial law and intellectual property. She was formerly the partner of an international law firm. On the Cottage Board for over 16 years, Natalie is delighted to give something back to a community that means a great deal to her. She is an 'alumni' of Pt Lonsdale Primary School.

### **Michael Randall OAM MEMBER**

SIA(Aff), DipAFPA, GAICD

Michael has been in the securities industry for over 30 years. Michael is a founding Director of the Financial Services Foundation which has helped raise substantial funds for children's charities, with the Cottage as a major beneficiary. He is married to Nikki Coghill and they have two daughters. Michael has been on the Cottage Board since 1996.

### **Jerome Walsh MEMBER**

Jerome is a Chartered Accountant and Fellow of FINSIA with over 20 years in the finance industry. He has experience in leveraged and corporate financing across a variety of industries and currently working in Corporate Banking with National Australia Bank. Jerome is married to Alison and has two children.

### **Paulin Walter MEMBER**

Paulin served the Cottage community for 22 years in a part time capacity as the founding General Manager for 7 years, then as Finance and Resources Manager for another 15 years. She was invited to join the Board following retirement in 2016 as a member of staff and is delighted to continue supporting the Cottage team in this new role.

### **David Wells MEMBER**

David has extensive senior management experience in the food, wine and financial industries, both in Australia and overseas. He is a Founding Executive Director of Falcon Corporate Advisory PTY Ltd, and Chairman of Hyde Park Great Western Vineyard Ltd. He has been on the Cottage Board since 1998.
